1 Summary

1.1 Purpose

The purpose of this document, is to compare the growth strategies of planned cities from different countries and centuries. The following cities are compared:

La Chaux-de-Fonds Switzerland, Europe, Planned 1794

La Plata Argentina, South America, Planned 1882

Abuja FCT Nigeria, Africa, Planned 1976

La Plata (Argentina), La Chaux-de-Fonds (Switzerland) and Abuja FCT (Nigeria)

1.2 Methodology

1.3 Findings

2 Methodology

1. Analyze, how the city was planned
2. Analyze, how the city looks today
3. Analyze, how the city grew since the plan was implemented
4. Analyze the sustainability of the growth
 - Mode shares, walkability
 - Density
 - Attractivity for developers
5. Compare the different growth strategies

3 Communities

3.1 La Chaux-de-Fonds

Figure 1: Areal image of La Chaux-de-Fonds of 2019

Figure 1 shows La Chaux-de-Fonds today [3].
